Happy Mothers Day to our Mothers and Grandmothers

I Love You Mom!

Mom's smiles can brighten any moment,
Mom's hugs put joy in all our days,
Mom's love will stay with us forever
and touch our lives in precious ways...
The values you've taught,
the care you've given,
and the wonderful love you've shown,
have enriched my life
in more ways than you'll ever know.
I Love you Mom!
~ Anon

Grandma

While we honor all our mothers
with words of love and praise.
While we tell about their goodness
and their kind and loving ways.
We should also think of Grandma,
she's a mother too, you see...
For she mothered my dear mother
as my mother mothers me.
~ Anon.

Thank you Mom

Today, say a special thank you to your mom! Thank you for the sleepless nights, for the hand to hold, for the big hugs, for that special band-aide that came with a kiss, for wiping away the tears, for the words of wisdom, for the shoulder to cry on, for the words of comfort, "It will be ok!", for believing in me, for sitting on the those hard bleachers cheering me on. For making the house we lived in a comfortable home, for that feeling of being safe. For making my birthday special cooking my favorite meal and baking the best birthday cake ever, and just loving me. Take the time today to reflect on your precious memories, and sayTHANKS MOM!

*May the mother of Jesus and our mother,
always smile on your spirit, obtaining for
it, from her most holy son, every
heavenly blessing."*
